Dear Members of the Class of 2015:

Congratulations on your graduation from Massachusetts College of Liberal Arts! Because of your hard work, dedication, and commitment you have earned your baccalaureate or master's degree from MCLA. You have successfully made the transition from student to graduate and will now continue down your own unique paths. Your degree is an accomplishment of which you can be very proud and will provide opportunities and open doors as you choose your next steps.

I urge you to apply what you have learned at MCLA in every aspect of your life. Become involved in your community, be helpful and compassionate citizens, continue to learn and ask questions. Your education has provided you a solid base from which to move forward and continue the good work that we have seen from you during your time at MCLA.

On behalf of the faculty and staff I am very proud of all that you have accomplished. I hope that your warm memories and deep relationships with friends, faculty, and staff will keep you connected to MCLA. Please keep in touch with the Alumni Office so that we can celebrate your accomplishments and welcome you at Alumni events.

It has been my pleasure to serve as your Vice President of Academic Affairs and Interim President this year and watch you thrive through your experiences with undergraduate research, athletics, performance, community service, and involvement with clubs and organizations. Because of you MCLA is a stronger place.

I wish each member of the Class of 2015 all the best!

Sincerely,

A handwritten signature in black ink, appearing to read "Cynthia Farr Brown".
